Title of publication 1	“Rinvio pregiudiziale obbligatorio ed effettività della tutela giurisdizionale” (Preliminary reference and principle of effectiveness), Quaderni del Dipartimento di Scienze giuridiche, Trieste, 2003, pp. 1-196
Year	2003
Abstract	The work takes into consideration the difficult (and sometimes troublesome) relation between the national judge and the European Union Court of Justice, with particular reference to the case of preliminary reference, its scope, conditions and effects.
Title of publication 2	“Aiuti di Stato e tutela giurisdizionale. Completezza e coerenza del sistema giurisdizionale dell’Unione europea ed effettività dei rimedi dinanzi al giudice nazionale” (State Aids and Judicial Protection), Torino, Giappichelli, 2012 pp. I-XXXVII, 1-378
Year	2012
Abstract	The book examines the main issues arising in the field of State Aid at both national and EU level. It explores specific problems in relation to the judicial protection of private parties, and scrutinizes the relation between the effectiveness of EU law and the procedural autonomy of Member States.
Title of publication 3	“L’impatto del diritto dell’Unione europea sul processo amministrativo” (European Law and Administrative process) , Napoli, Editoriale scientifica, 2013
Year	2013
Abstract	The volume aims at understanding the way EU law (at both literature and case law level) impacted on the rules regulating the administrative process in Italy. It is clear that such impact has been much more evident in the field of administrative procedural law than in other areas of procedural law.
Title of publication 4	“La “modernizzazione” della disciplina sugli aiuti di Stato. Il nuovo approccio della Commissione europea e i recenti sviluppi in materia di public e private enforcement” (The modernization of State Aid and evolutions in public and private enforcement). Torino, Giappichelli, 2011 (pp. I-XVIII, 1-318)
Year	2011
Abstract:	The book explores the recent developments in the area of State Aid, mainly concerning the reform and modernization process of the field launched by the European Commission in 2005 e concluded in 2009. The analysis benefits from references to the case law of the EU courts’ judges.

Title of publication 5	“Aiuti pubblici alle imprese e competenze regionali. Controllo comunitario e prassi interne” (with L. DANIELE - S. AMADEO, Milano, Giuffr�, 2003) (Regional Competences and State Aids).
Year	2003
Abstract	The work examines the terms governing the grant of state aids to undertakings and the role of Regions. It highlights the main difficulties in the coordination, of competences and responsibilities, between the State and the Regions or similar entities of other Member States.
Title of publication 6	“Risarcimento danno antitrust e attuazione della direttiva 104/2014: possibili effetti anche sugli aiuti di Stato?” (Antitrust damages, implementation of the Directive 104/2014), in Dir Un. Eur., Osservatorio europeo, 2017
Year	2017
Abstract:	The paper considers the recent developments in the area of damages as deriving from the infringement of competition rules, also pointing to the principles of Directive 104/2014. It further looks at the possible effects in the field of State Aid.
